CHOICE**

Dear valued securityholder

### LEGISLATION CHANGE - WHAT THIS MEANS FOR YOU

The Australian Government introduced legislation allowing the default option for receiving annual reports to be via a company's website. You will now receive timely, cost effective and greener online annual reports unless you request a printed copy. You can choose to be notified by email when the Australian annual report becomes available on our website at [www.macarthurminerals.com](http://www.macarthurminerals.com) - otherwise this information will be provided in your AGM mail pack. All other securityholder communications will continue to be sent to you by post.

### WHAT ARE YOUR OPTIONS?

- OPTION 1**  Elect to receive an email notification when your Australian annual report and other securityholder communications become available online.
- OPTION 2**  Elect to continue receiving, free of charge, a printed copy of the annual report.
-  If you take no action, information on accessing your online annual report will be provided in your AGM mail pack.

If you have any questions about this form please contact an investor services representative on 1-800-564-6253 (local) or 514-982-7555 (international direct dial)

Yours sincerely
